

The Oxford Ditch Cruising Club (ODCC) organises a number of boating and dining events on or near the non-tidal River Thames throughout the year, both on and off the river.

Persons eligible for membership shall be the private owners of a motor cruiser or others interested in pleasure motor boating.

Due to size restrictions at venues, we cannot accommodate vessels over 13 metres (42 feet) in length.

New applicants are always welcome, so why not give us a try. Contact the Secretary, [secretaryodcc@outlook.com](mailto:secretaryodcc@outlook.com)

or visit our website at:

[www.oxfordditch.co.uk](http://www.oxfordditch.co.uk)

Pre-booking is required for attendance at any of the above events by contacting the Secretary, [secretaryodcc@outlook.com](mailto:secretaryodcc@outlook.com)

This programme is updated on the Club's website at:

[www.oxfordditch.co.uk](http://www.oxfordditch.co.uk)

## INCREASE YOUR BOATING PLEASURE - JOIN OUR CLUB

If you had ever thought of joining a Thames boat club but had dismissed the idea because you thought that it was too formal and stuffy and only for bigger boats, then perhaps the Oxford Ditch Cruising Club is for you. We are a group of boaters who value our reputation as one of the friendliest clubs on the river. Our water-borne events include rallies and sociable activities held on the river bank. We stage events at various locations for socializing and eating. Other shore-based activities based on the members' interests are arranged for the winter months.

If you're the sort that enjoys making friends and informal, relaxing get-togethers, why not come and join us. Individuals, couples, families (including well-behaved pets) are all welcome and enjoying the company of like-minded people is far more important than the size of your boat or the extent of your boating experience. We have a wealth of expertise at the club and are happy to share our knowledge on request.

Like to give it a try? Come to one of our events, with no obligation, and see what you think. The list of ODCC events is included in this leaflet and is also shown on the Club's website at:

[www.oxfordditch.co.uk](http://www.oxfordditch.co.uk)
